

## **CURRIE STAR FC MASTERS 2017**

The inaugural Currie Star FC Masters in conjunction with Kingsknowe Golf Club will take place at Kingsknowe Golf Club on Thursday 10<sup>th</sup> August.

The Masters is for teams of 3. All members of each team must have a handicap or at least have played golf previously and be of a sufficient ability to be able to play a round on the course. The teams will comprise a Currie Star FC Player; an adult relative or friend of the player's choosing – eg mum, dad, grandparent, family friend, coach; and a Kingsknowe Golf Club Member.

The format will be a Texas Scramble over 9 holes, with tee times starting at 4.30pm. Texas Scramble is where all members of the team drive off and they then select their preferred drive, and all members of the team play their second shot from that point. The process is then repeated for the 2<sup>nd</sup>, 3<sup>rd</sup> shots etc. It is a good format for this type of competition.

There will be a maximum of 20 tee times available. Entrants from Currie Star must complete the entry form, and the cost of entry - £5 per team member - is payable on the night.

There will be a prize for the winning Currie Star Player and for the winning team.

The Entry Form is on Page 2. Completed forms should be returned to [clubmanager@kingsknowe.com](mailto:clubmanager@kingsknowe.com) or the Golf Club Office or Pro Shop.
